CHEC are delighted to offer a wound care course aimed specifically at the needs of PNs.

It will be led by **Tim Wakefield, Tissue Viability Nurse, BMI Park Hospital, Nottingham**

Course Overview

This course is designed to provide advice on how to manage wound care effectively and safely in a busy general practice environment.

Programme

The programme will include the following:

- *The Patient & the Wound – Health of both, stage of healing, wound changes*
- *To Clean or Not to Clean? That is the Question*
- *The Non-Healing Wound – infection, poor blood flow, underlying disease*
- *Treating the Non-Healing Wound – dressings, antibiotics, pain control, documentation*

CHEC

CHEC is a primary care practice-based inter-disciplinary educational facility. We provide education for a range of clinical and non-clinical primary care staff.

We offer courses and events designed to meet your learning needs. Our education compliments, rather than competes with, existing provision.

The timetable and format for the events

The venue is available from 12.30pm so do come early and take the opportunity to network informally.

The training will start at 12.45pm and finish at 3.30 pm. The programme will contain a mixture of practical and taught sessions with a 15 min break mid afternoon.

Please do not send remittance with this booking form as an invoice will be sent when the form is received. Places are then confirmed on receipt of payment. Refunds will be made for cancellations made more than 10 working days beforehand.
